| P5110   | Buildings                                   | Value of new and existing buildings acquired during the year, less disposals of existing buildings. Include the value of extensions and major renovations to existing buildings.   |
| P5139   | Machinery, equipment and other fixed assets | Value of all new or second hand machinery and equipment, including transport equipment; office, accounting and computer equipment, including computer software; furniture, fixtures and furnishings and other durable goods acquired during the year, <i>less</i> disposals of similar items.      |
| P5200   | Change in inventories                       | Total value of all inventories at the end the period <i>minus</i> the value at the beginning of the period, including materials and supplies that are held in stock for use as intermediate inputs, work-in-progress, finished goods and goods for resale.   |
| P53AN13 | Valuables                                   | Valuables are assets that are acquired as stores of wealth and are not used up in production. They do not deteriorate over time and are expected to at least hold their value. Examples are jewelry, works of art, antiques and precious stones and metals.  |
