JULY 2019

During the month of July 2019, the consumer price index recorded an increase of 0.2 percent compared to 0.5 percent for the month of June 2019 *(see table 3)*.

The "All Items" index was recorded at 111.8 compared to 111.6 for the month of June 2019. Five (5) groups recorded increase during the month, namely, "Transport" (2.9%), "Hotels and Restaurants" (0.9%), "Alcoholic Beverages, Tobacco & Narcotics" (0.6%), "Food and Non-Alcoholic Beverages" (0.3%) and "Furnishings, Household Equipment and Household

Maintenance" (0.3%). Four (4) groups decreased for the month, namely, "Housing, Water, Electricity, Gas and Other Fuels" (0.8%), "Health" (0.7%), "Recreation and Culture" (0.6%) and "Miscellaneous Goods and Services" (0.2%). Three (3) groups remained unchanged, "Clothing and Footwear", "Communication", and "Education" *(see table 3)*.

The index for "Transport" grew by 2.9 percent due mainly to an increase in passenger airfare from St. Vincent and the Grenadines to several destinations as well as the price for pick-up truck tyres. These destinations include Trinidad and Tobago (64.4%), St. Lucia (49.4%), Toronto, Canada (23.2%) and New York, U.S.A (19.2%). The price for pick-up truck tyres increased by 16.8%.

The 0.9 percent increase in the group index for "Hotels and Restaurants" is a result of a 6.8 percent increase in the price of a mutton lunch. Meanwhile, a higher price for ginger wine (4.9%) is responsible for the 0.6 percent growth in the group index for "Alcoholic Beverages, Narcotics & Tobacco".

The upward movement of 0.3 percent in the group index for "Food and Non-Alcoholic Beverages" is due mainly to increase in prices for several food items; garlic powder (21.9%), black pepper (17.6%), tomatoes (15.7%), oranges (14.4%), currants (13.2%), black eye peas (10.7%), turkey wings (7.1%), onions (6.8%) and coconuts (5.8%).

The 0.3 percent increase in "Furnishings, Household Equipment and Household Maintenance" is due to an increase of 13.0 percent in the price of a cordless electric iron.

The 0.8 percent decrease in the group index for "Housing, Water, Electricity, Gas and Other Fuels" is due to a reduction of 13.1 percent in the price of nails and 4.2 percent in the cost of electricity. Whereas the decline of 0.7 percent in the "Health" index was due to lower prices for a drug that is use in the treatment of diabetes (18.3%) and pain relievers (4.3%). A decrease of 25.0 percent in the price of a pencil and 6.5 percent in the price of a primary school language arts textbook is responsible for the 0.2 percent decline in the index for "Recreation and Culture". Similarly, the 0.2 percent decline in the index for "Miscellaneous Goods and Services" is due to a 10.0 percent reduction in the cost of motor vehicle insurance for third party coverage.

The point-to-point inflation rate stood at 1.0 percent for the month of July 2019 compared with 2.0 percent for July 2018. The groups that accounted for the largest increases during the period were "Alcoholic Beverages, Tobacco and Narcotics (3.1%), "Furnishings, Household Equipment and Household Maintenance" (2.1%), "Transport" (1.2%), Food and Alcoholic Beverages (1.2%), "Hotels and Restaurants" (1.2%), (*See table 3*).

The consumer price index increased by 0.2 percent for the month of July 2019. The point-to-point inflation rate stood at 0.1 percent due to relative price changes during the month of July 2019 compared with the same period in the previous year.
