1 COICOP Percentage Change for the Month of APRIL 2026	10

* * *

April 2026

The Consumer Price Index recorded an increase of 0.5 percent for the month of April 2026, reversing the decline of 0.5 decrease recorded for the month of March 2026 (*see table 3*).

The “All Items” index was registered at 130.6 in April, compared to 130.0 in March 2026. Five (5) of the twelve major CPI groups recorded price declines during the month. “Health” (1.8%), “Alcoholic Beverages, Tobacco & Narcotics” (0.4%), “Food and Non-Alcoholic Beverages” (0.1%), “Clothing and Footwear” (0.1%), and “Furnishings, Household Equipment and Household Maintenance” (0.1%). Conversely, three (3) groups recorded price increase: “Housing, Water, Electricity, Gas and other Fuels” (1.9%), “Miscellaneous Goods and Services” (1.3%) and “Transport” (0.5%). Four groups remain unchanged, “Communication”, “Recreation and Culture”, “Education” and “Hotels and Restaurants”

The “Health” group index recorded the largest decrease of 1.8 percent, mainly due to lower prices for drugs used in the treatment of hypertension (16.7%) and pain relief (14.5%).

The Index for “Alcoholic Beverages, Tobacco & Narcotics” declined by 0.4 percent, mainly on account of lower prices for imported beer (6.3%) and liqueur (0.3%).

The “Food and Non-Alcoholic Beverages” declined by 0.1 percent driven by lower prices for several food items, namely; imported cabbage (24.5%), green plantain (19.8%), flaked tuna in water (12.5%), mayonnaise (11.1%), green banana (10.5%), dasheen (9.4%), gala apple (8.9%), sweet pepper (8.3%), cucumber (8.1%), and apple juice (4.4%).

Similarly, the “Clothing and Footwear” index decreased by 0.1 percent largely due to a 34.8 percent fall in the price of a brassiere.

The 0.1 percent decline in the index for “Furnishings, Household Equipment and Household Maintenance” was attributed to a lower price for bleach (2.1%).

Meanwhile, the “Housing, Water, Electricity, Gas and Other Fuels” index increased by 1.8 percent, primarily reflecting an increase of 10.9% in the price of electricity. This increase was associated with a higher fuel surcharge rate, which moved from 54.90 cents per kilowatt hour for the month of March 2026 to 66.50 cents per kilowatt hour for the month of April 2026.

Higher prices for care of the elderly away from home (12.1%), hand soap (7.4%) and sanitary napkins (3.3%) contributed to the 1.3 percent increase in the group index for “Miscellaneous Goods and Services”.

The “Transport” index increased by 0.5 percent due to higher passenger airfare from St Vincent and the Grenadines to a few destinations, namely: Miami (9.1%), Toronto (1.2%) and London (1.1%).

The Point-to-Point Inflation Rate stood at 1.0 percent for the month of April 2026, compared to 0.8 percent for the month of April 2025. The groups recording the largest year on year increases were, “Miscellaneous Goods and Services” (4.2%), “Clothing and Footwear” (3.4%), “Hotels and Restaurants” (2.3%) and “Housing, Water, Electricity, Gas and other Fuels” (1.3%).

The consumer price index increased by 0.5 percent for April 2026. The point-to-point inflation rate stood at 1.0 percent due to relative price changes during the month of April 2026 compared with the same period in the previous year.
